'69 REBELAIRE

I hate all married people my age Because I am very jealous because I want to be married to. But I like you very much too Always remember our trips to dinner & the fun we had. Chris enjoys having O.E. class with you & also that hot American History class we had in the summer. Also laughing at Bob's cool fans. Good luck in every thing that you do. Never forget all of the episodes you had with Colene. Hubbie

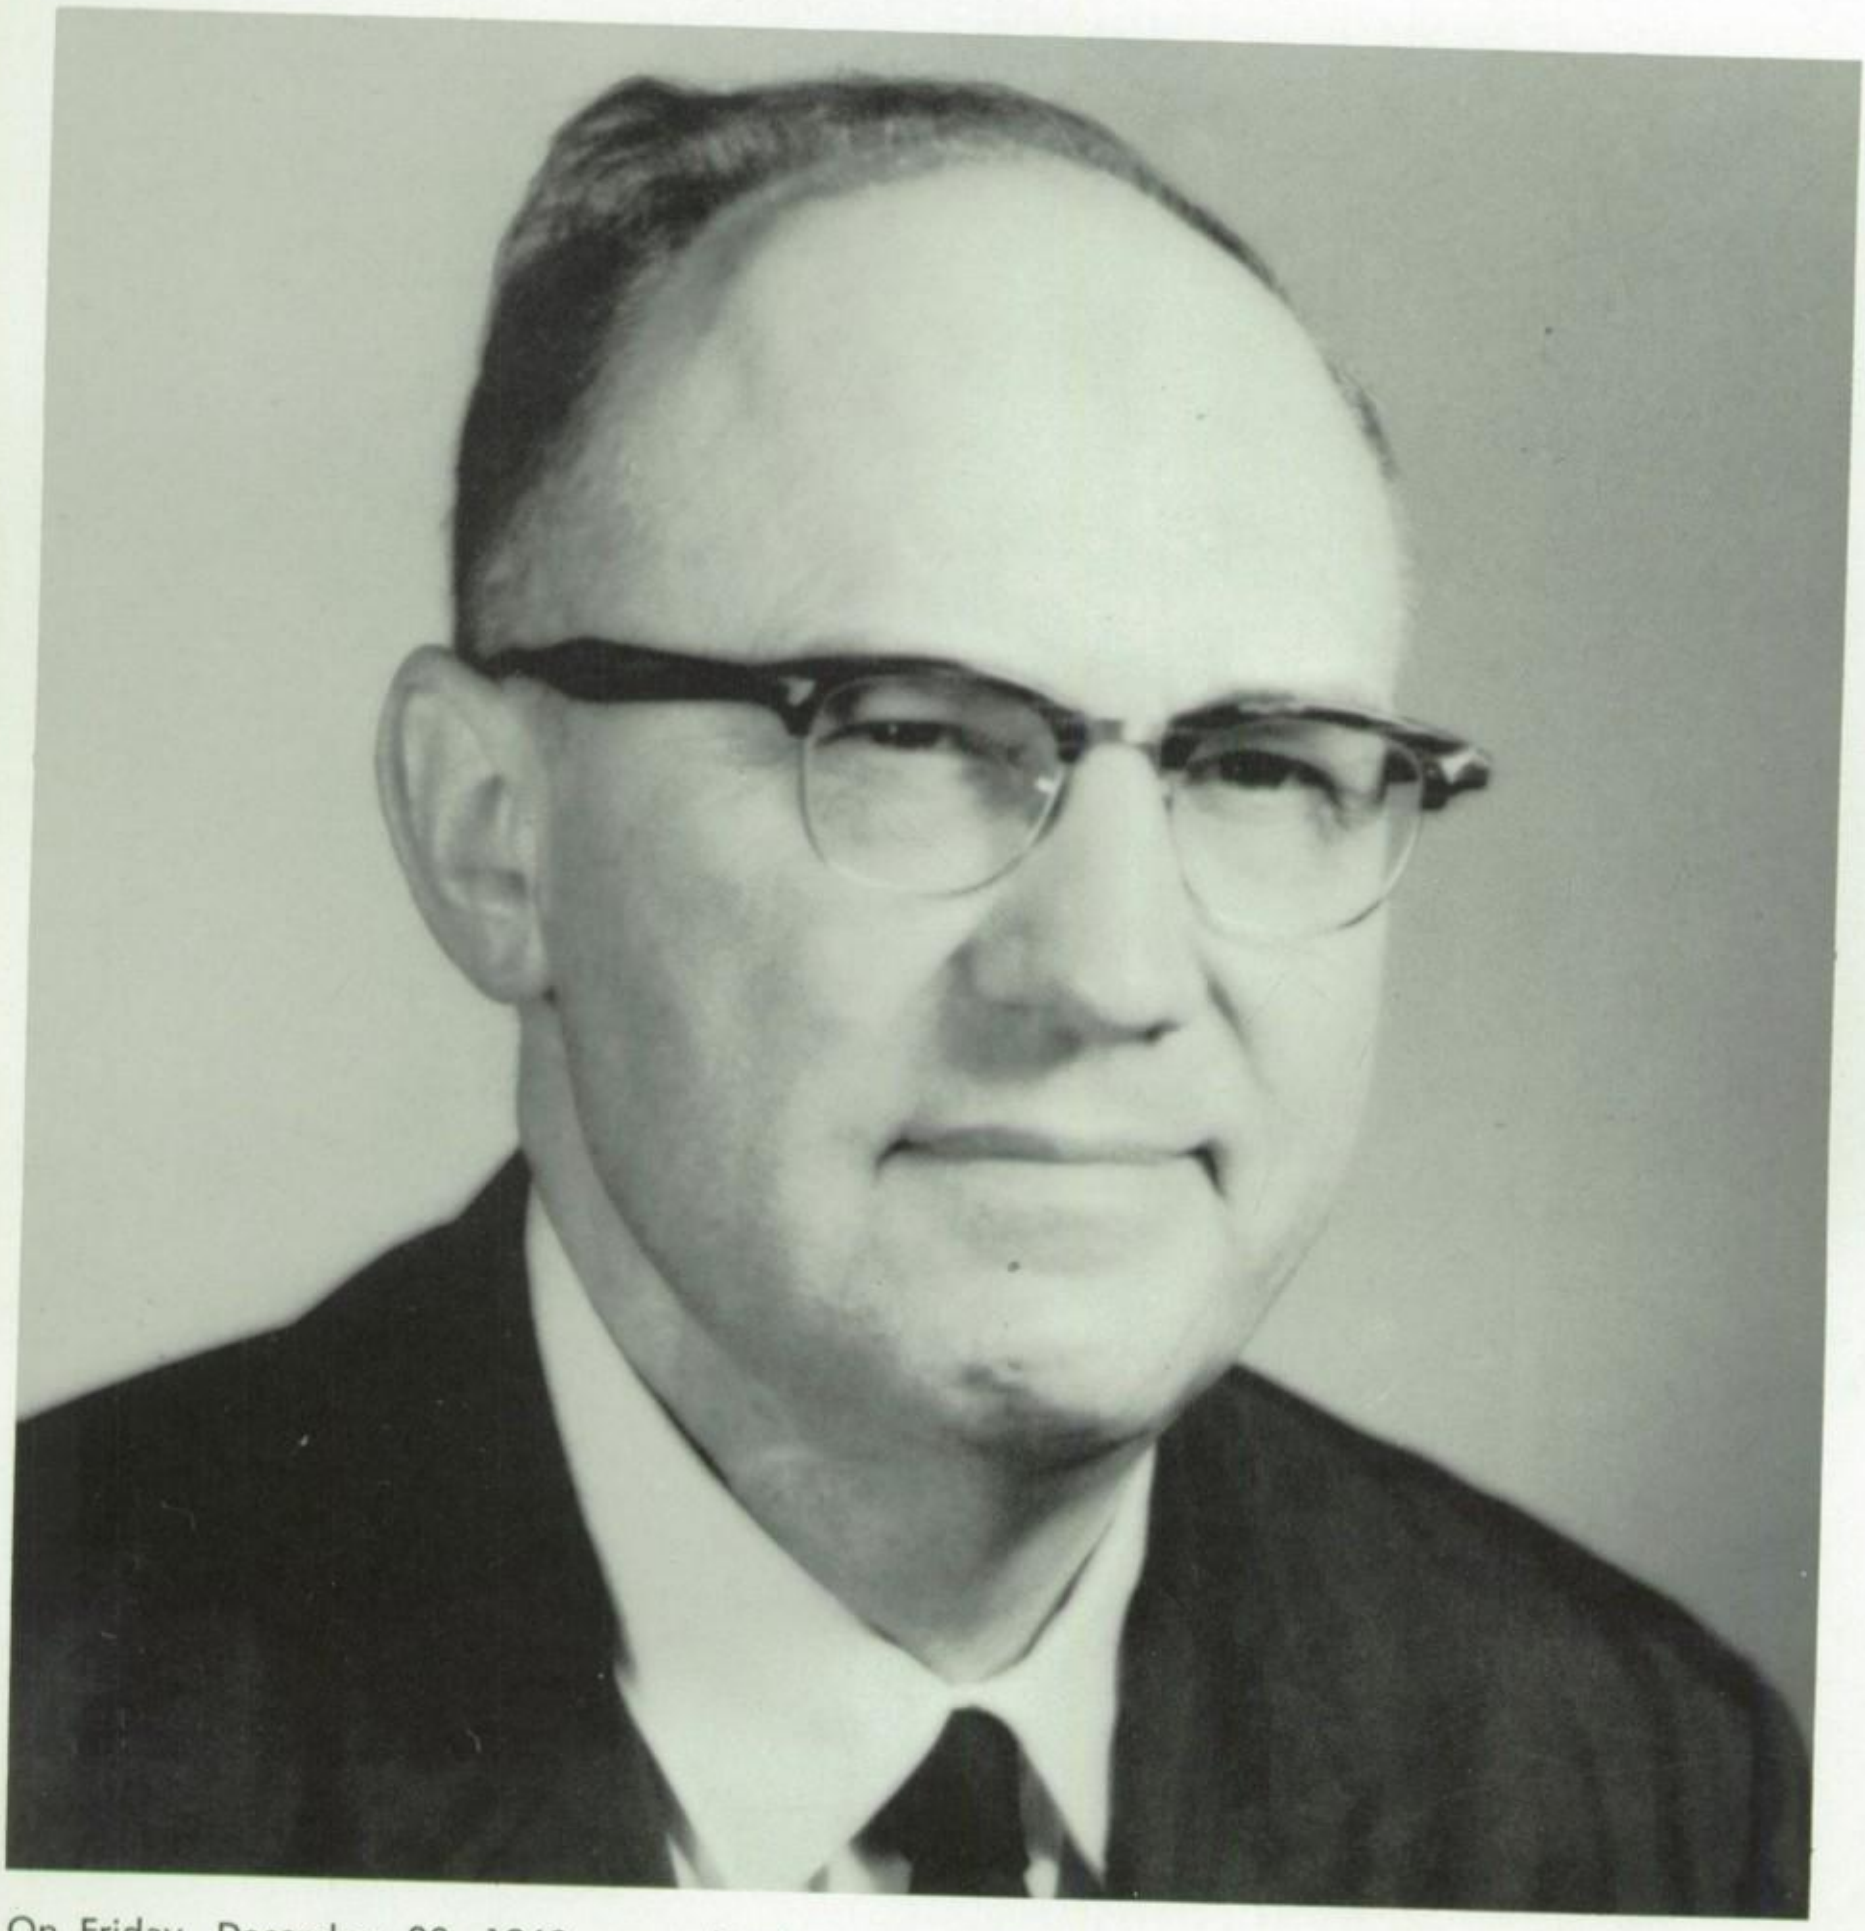
W.M.H.S. Is Saddened by the Death of Superintendent Milton C. Hall



On Friday, December 20, 1968, our school was saddened by the death of Mr. Milton Hall who was Superintendent of Ouachita Parish Schools for five years. During Mr. Hall's tenure, our school system grew in every way. He gained state wide recognition as an outstanding administrator and educator. An active citizen, Mr. Hall also was a member of numerous professional and honorary organizations.

Always foremost in his mind were improved operation and quality education in his schools. He initiated several projects in the parish system; among these are adult education, accelerated programs, and enrichment programs.

Mr. Hall possessed a keen sense of humor, and he looked for the good in everyone he met. He was an admired and respected man.

State Superintendent of Education William J. Dodd said, "Milton Hall was an outstanding teacher and educator, and as he climbed in the administrative world, I think he became a great educational administrator."

Never too busy to counsel with a teacher or to inquire about a student's progress, Mr. Hall endeared himself to West Monroe High School. He was truly a man far beyond the ordinary; he was our friend.

Rebels Lose a Teacher and Friend With the Death of Mrs. Natalie May

One of the first teachers to come to West Monroe High School, Mrs. Natalie May actually helped the school to grow. Showing great interest in extracurricular activities, she helped choose the school colors and mascot. Rebelettes are proud to claim her as the person responsible for initiating their organization. An avid sports fan and a loyal Reb, Mrs. May attended virtually every West Monroe game. She accepted the responsibility of being freshman class chairman, and she was for many years a member of the faculty courtesy committee.

Developing a uniquely warm relationship with all she knew, Mrs. May was more than just a good teacher; she was a very special friend.

We shall always remember her magnetic personality, and her contributions to West Monroe High School remain a memorial to her.

Mrs. Mary Jane Steed Retires After a Career of Dedication to Teaching

After a long career as a dedicated teacher, Mrs. Mary Jane Steed will retire from the teaching profession at the end of this academic year. Her retirement will leave a strange emptiness in Room 144; for many years this room has been a hub of activity.

During her years at West Monroe, Mrs. Steed has tirelessly served the students in both academic and extra-curricular activities. She has organized and sponsored various social studies clubs, and her students have won many awards in the Social Science Fairs. Mrs. Steed has also sponsored Y-Teens. As a very special service, Mrs. Steed has sold *Rebelaires* on the installment plan, enabling many students to have a yearbook who otherwise would not have had one. Each year she aids in the planning of Career Day, an important event in the lives of our sophomores.

While serving as a member of the faculty courtesy committee, Mrs. Steed has been greatly appreciated for her countless kindnesses.

The Rebelaire Staff wishes to express appreciation to Mrs. Steed for her great service to the school and students. She has been an example to all of us, and we shall surely miss her.

Guidance Department Aids Students With Personal, Academic, and Career Problems

During his four years in high school, a student finds there are many problems which arise that require special counseling. It is during these times the students of W.M.H.S. turn to the guidance counselors.

W.M.H.S. students find our counselors always willing to lend a helping hand. Miss Agnes Shaw and Mrs. Mary McCoy, West Monroe's guidance counselors, greet each student with a warm smile which assures them that no problem is insurmountable. Because students find help with personal problems, with career choices, and with academic schedules here, it sometimes seems that West Monroe High School revolves around the Guidance Department.

Electives Offer Opportunities for Self-Expression and Creativity

Unlike all other courses, the elective courses are not required for graduation, therefore allowing students to choose subjects which develop varied skills that are put to use in later life.

Through Music and Art courses, self-expression and creativeness are developed. Art courses, taken by students display their crafts in various school activities. The choir and band present their annual concerts in order to entertain the public and raise money.

English Develops Reading, Writing, Speaking, and Listening Skills

West Monroe's English instructors indicate an effective way to spark learning in their classes is through expression of the students' ideas whether they be oral or written. As an example, English IV creates a need for discussion as classes study such things as the Shakespearean play Macbeth.

The first semester for all English students offers grammar and in the last semester, literature is studied. As some groups studied literature, they wrote their own short stories, and poems; thus creativity was encouraged.

Science enables a student to discover the world around him. Projects, dissections, and lab experiments offer fascination as well as knowledge.

A General Science student is well occupied with the study of all the sciences. The structure and functions of organisms intrigues the Biology student. Chemistry students probe the fundamentals of elementary chemistry. To aid them in their study of physics, Physics students learn formulae and how to apply them.

MR. ROBERT FOSTER
Geography: Coach

During his four years at West Monroe, every student has an opportunity to complete four social studies courses, although only two of these courses are required for graduation. A student finds Civics in his Soph. year and American History in his Senior year the required courses.

American History, World History, and World Geography inform the student of the cultural and physical development of the world. Civics and Economics teach the student more about his duties as an American citizen.

It is the aim of the communications instructors to create a desire on the part of the student for creativity. Students show their originality and ingenuity in speech class, giving speeches and debates which bring much honor to W.M.H.S. Many speech students are also actors in the annual Jr. and Sr. play.

Foreign language students acquaint themselves with customs and practices prevailing in other lands. Journalism students assist in publication of the Yearbook, and the Quill and Scroll booklet, as well as turn in many papers expressing their ideas on national topics.

O.E. and D.E. Students Learn While They Earn

In cooperation with the public schools, Distributive Education and Office Education are courses in which students are allowed to secure jobs and work in the afternoon while attending their regular morning classes. Students enrolled in these courses are given credits along with extra money.

D.E. students learn marketing and distribution. They work in some of the leading department stores. Besides classroom training, D.E. students work in many Twin City offices in the afternoon.

Modern Facilities Aid in Teaching of Home Economics Skills and Practices

In the four years of Home Economics offered at W.M.H.S. many skills are introduced such as sewing and cooking.

Girls learn to cook meals which are nutritionally balanced and tasty. In addition to learning how to cook, the girls also learn the proper way to serve meals. When the girls complete the course concerning cooking, they then begin to receive instructions in sewing. In sewing, each girl is required to make an outfit which she models as it is graded.

Sewing machines, ovens, refrigerators, and all modern appliances furnished by the Home Economics department aid in learning these skills.

The Business Department of W.M.H.S. with a staff of six teachers is well equipped to prepare West Monroe students for a business career. Typing, the first business course offered, attracts the most students.

The beginning of study in advanced business starts with Shorthand I. This course offers a complete study of Gregg shorthand with students writing from 60 to 80 words per minute upon completion. Bookkeeping teaches students the proper way to keep a simple set of books.

Physical Education Develops Skills and Coordination

Although P.E. is one of West Monroe's required courses, it is enjoyed by girls and boys alike. All students are required to take Physical Education unless excused by a doctor.

Girls participate in softball, archery, volleyball, basketball, and badminton, while boys enjoy baseball, basketball, football and track. For a six week period each gym class takes general health or first aid.

Greatly Expanded Book Collection Aids Rebels in Library

MRS. BIRDIE FRAGALA
Librarian

MRS. FRANCES HURST
Librarian

The library offers a wide variety of services to students and faculty. Term paper researchers find files of magazines and other documents very helpful in their research. A student can keep up with daily news by reading the newspaper which is supplied by the library.

Many students willingly give up their study hall period to assist with library work. These workers must be conscientious, polite, and, above all, they must be interested in their work.

Some of the services performed include straightening books on the shelves, sorting library mail, and sending overdue statements.

Cafeteria and Maintenance Personnel Perform Invaluable Services for W.M.H.S.

Mr. Thomas is a familiar person to all W.M.H.S. students and faculty. He oversees the entire maintenance operation and all maintenance personnel. His services to West Monroe High School are of vital importance; after all Mr. Thomas is the person responsible for keeping W.M.H.S. "RUNNING."

A hub of activity at the noon hour, the cafeteria is a welcome haven for the hungry student. Mrs. Stark is the person responsible for seeing that our meals are well-balanced, and she also supervises the entire cafeteria operation.

FEATURES

Dedication . . .

Stegall and September arrive;
The school year begins.
Clipped words and crisp orders,
A yearbook is on the way.
Teacher!
Publisher!
Confidante!
Cheerleader!
Club Sponsor!
Weight Lifter!

Consider these—individually—or
collectively—
Blend with them energy and interest,
Terse words or tears—

The composite result—our own
Corre.
It took a "bitt of sneaky doings"
to conceal this dedication,
But now that the delusion has
been effected and the charade
is over—
Publicly and candidly,
We salute you!

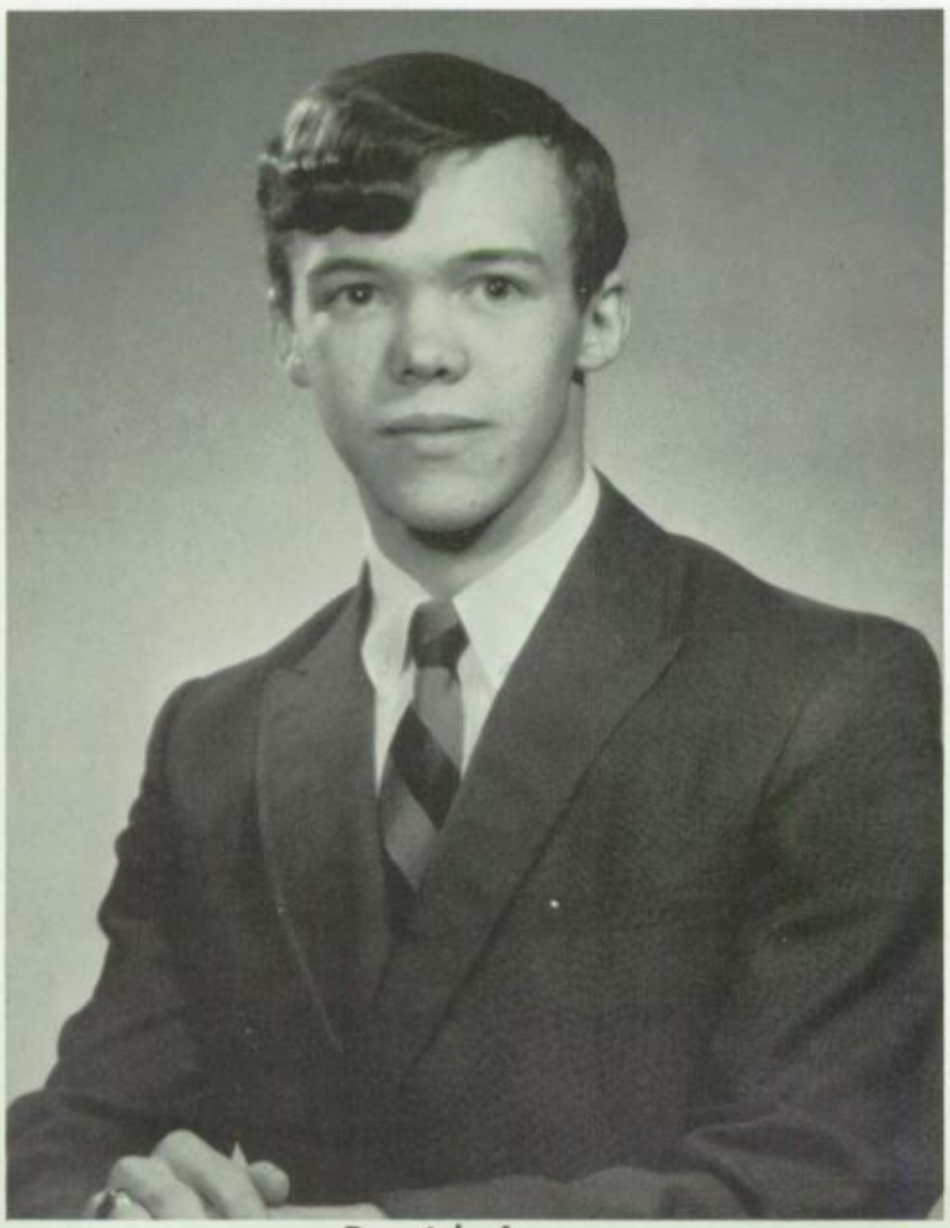
Ten Outstanding Students Are Chosen
Who's Who at West Monroe High School

Susanne Ochs

One of the most outstanding students is Susanne Ochs. Serving as editor of the REBELAIRE, she attended the U.S.L. yearbook workshop. Susanne is active in the Student Council which she serves as 1st vice president. Chosen as a delegate to Girls' State, she also has attended numerous S.C. conferences. A member of Spanish Club, Rebelettes, Rebel Raiders, and Quill and Scroll, and Anchor Club, Susanne has shown her versatility and capability in many activities.

A familiar face to all seniors is that of their president, David Acree. A member of the Interact Club and Quill and Scroll David received much of his leadership training at Boys' State. He is truly one of Rebelland's Good Citizens.

Having been active in French Club, Alice served on both the Mardi Gras Court and as 1st runner-up to Miss Cercle Francais. President of Rebelettes, Alice promotes school spirit and is a loyal Rebel supporter.



David Acree

Alice Traylor

Phyllis McDowell

Sara Thompson

Pill has been one of the most active girls at W.M.H.S. Having served four years in Rebelettes, she is now chaplain. Pill's leadership is shown through her activities in F.H.A. which she serves as president. Her service in choir, student council, and YWCO make her one of the best liked students in Rebelland.

A favorite of both students and teachers, Sara's friendly smile and warm personality show in all she does. She has been active in YWCO teens, F.H.A., Rebelettes and Anchor Club. Serving as captain of the newly organized Rebel Raiders, Sara has exhibited outstanding leadership and ingenuity.

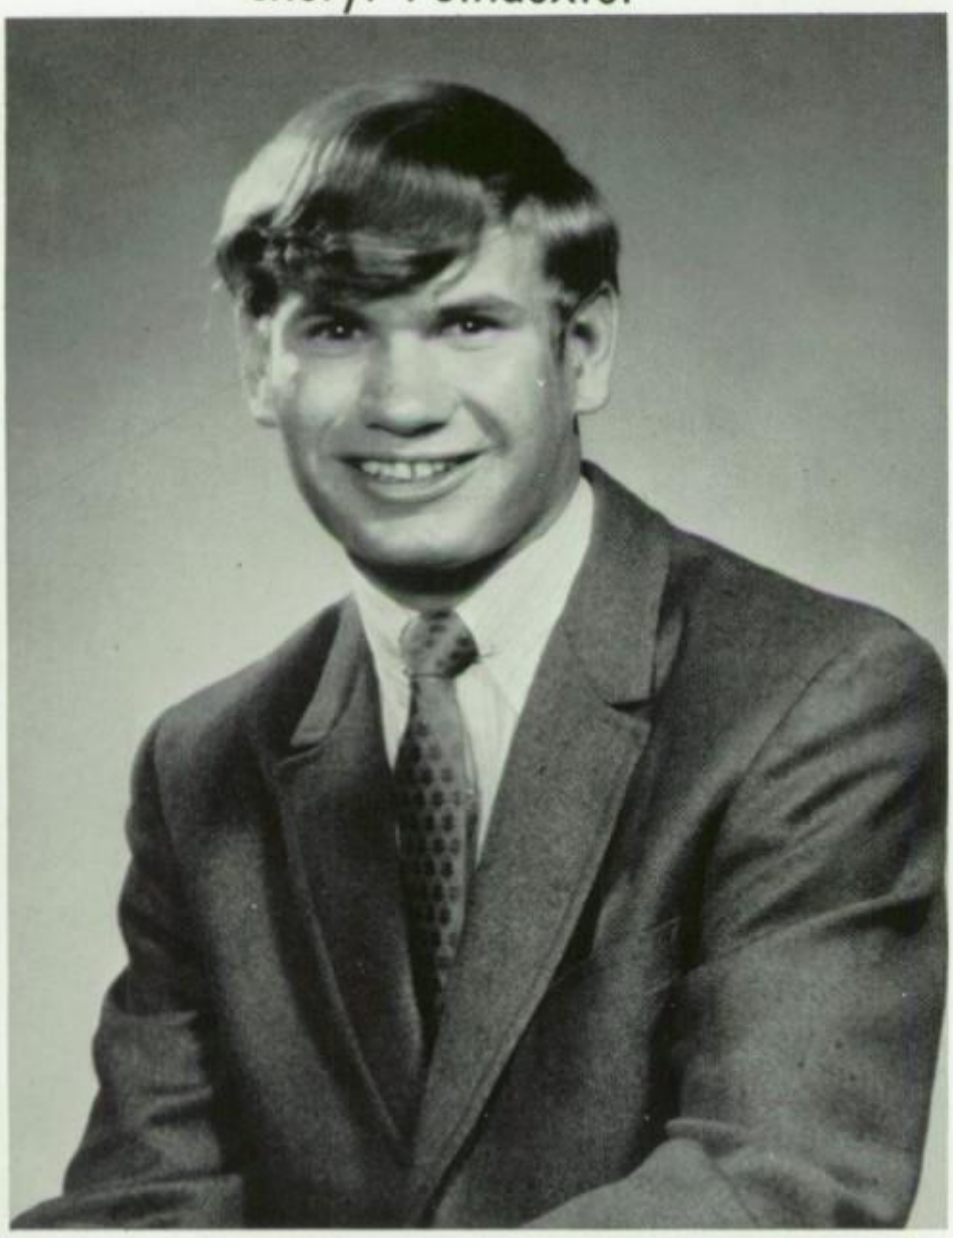
8 Seniors and 2 Juniors Are Named Outstanding in Character, Scholarship, and Service to Their School

Cheryl Poindexter

Because Cheryl has consistently been an honor student, she was chosen a member of the National Honor Society. Cheryl's friendly smile and disposition permeate her work in Anchor Club, Quill and Scroll, and French Club. She was also elected as an alternate to Girls' State.

A member of both the Dramatics Club and the Thespian Club, Johnny showed his acting ability in the senior play. Taking time from his dramatics, Johnny finds time for Key Club. He is an ardent Rebel supporter, too.

One of West Monroe's best students is Susan. She was chosen a member of the National Honor Society which she serves as historian. Susan finds time for Rebelettes, F.H.A., Library Club, and Office Staff.



Johnny Nichols

Susan Cummins

Karen Bates

Martha Reed

Serving as cheerleader for three years, Karen has displayed and promoted school spirit. Karen has been active in Student Council serving as freshman class secretary and sophomore class president. Also included in Karen's busy schedule are Anchor Club, Rebelaire staff, Quill and Scroll, Choir and Ensemble.

An outstanding honor student at W.M.H.S., Martha shows her leadership abilities by being assistant editor of the REBELAIRE. A member of the Rebelettes, Martha also participates in YWCO teens, Anchor Club, and Quill and Scroll. Service and willingness to work make Martha an especially popular girl.

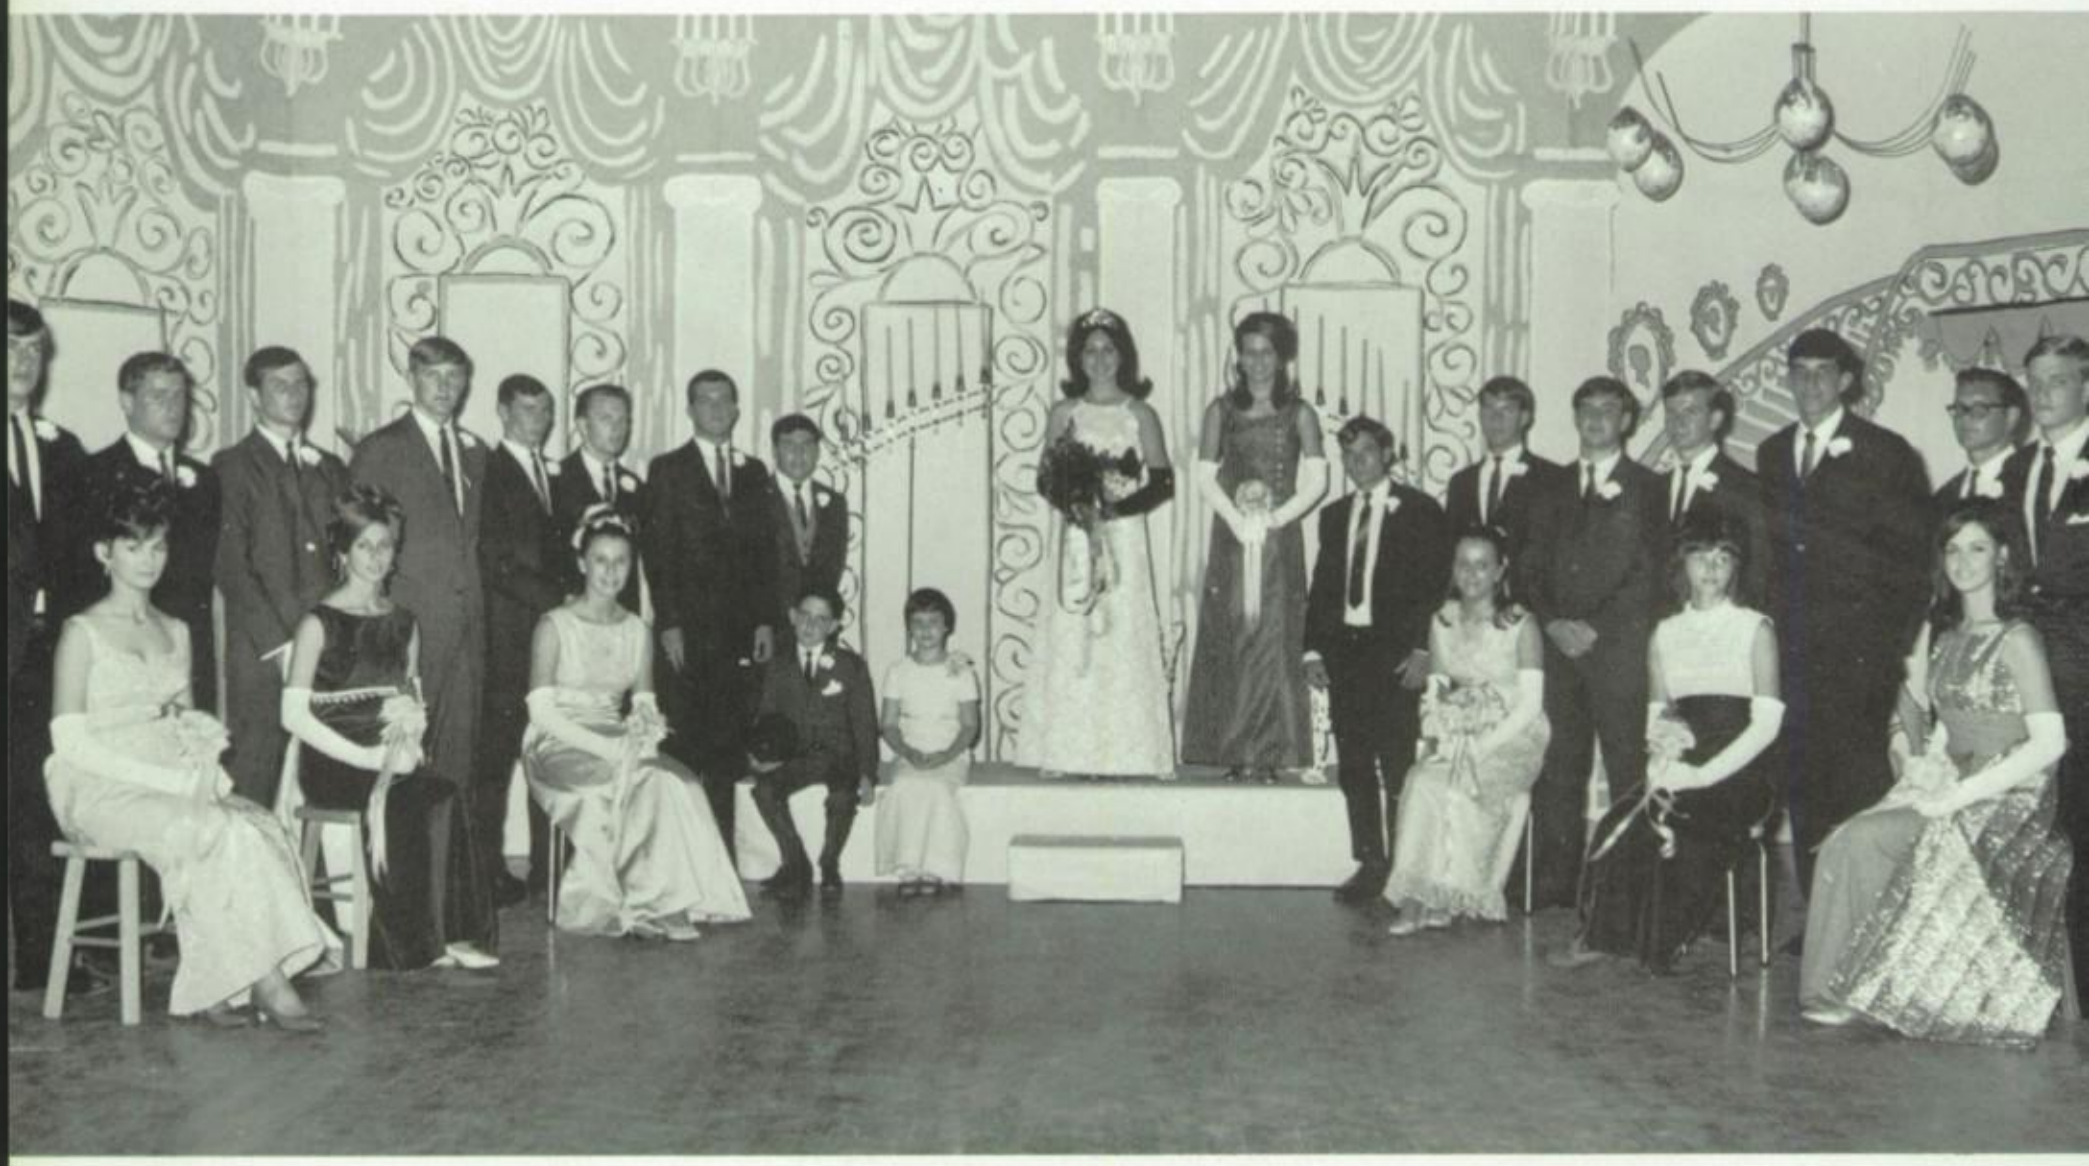
West Monroe Sends Fourteen Delegates to Pelican State

Selected to attend Pelican State were fourteen outstanding students from West Monroe. Through participation in all phases of government, these delegates became better informed and more aware of the responsibilities facing them as adults in an ever-changing world.

Above: Girls' State Delegates: Kathy Hattaway, Lynn McClendon, Brenda Cummings, Susanne Ochs, Beth Nix, Pill McDowell, Debbie Alexander. *At left:* Boys' State Delegates: Eddie Hebert, David Acree, Mike Ebarb, Joe Niswanger, Curtis Young. *Not shown:* Bob Brooks and Freddy Cooksey.

STUDENT LIFE

Cinderella Land — Fantasy Becomes Reality



The suspense and excitement of Cinderella's ball surrounded the 1968 Homecoming activities. As is the custom, the football team selected eight charming girls to reign as the princesses of Rebeland. The young ladies were: Rhonda Albritton, Faye Clark, Brenda Cummings, Kathy Hattaway, Maxine McCormick, Beth Nix, Deborra Poland, and Terri Richardson. The W.M.H.S. student body then voted to select a queen and maid of honor. According to the legend, the slipper must fit the queen's foot. Coach Ken Bates held slippers belonging first to vivacious Brenda Cummings, the maid of honor. Finally the suspense was ended as elegant Beth Nix was named Queen. The 1968 Homecoming was one that will long be remembered for its beauty and grace.

This year, as during last year, the Ouachita Parish Chapter High School Red Cross was represented by a W.M.H.S. student. This year Nina Hunt was chosen chairman. A few of the chapter projects were: baking and delivering cookies to the homes for the aged at Thanksgiving, making and filling Christmas stockings for the Veteran's Hospital in Alexandria, the collection of pecans and paperback books for the veterans, the adoption of an Indian child from ELTON, Louisiana, the delivery of Easter baskets to the homes for the aged and ditty bags for the soldiers in Viet Nam.

+ YOUTH

School projects of the Red Cross include: arranging the bulletin board in the Teacher's lounge, sending cards to the children at G. B. Cooley school, and assisting in the cookie bake. Other service projects were undertaken as the need arose. This past summer, Nina Hunt and Janice Bearden spent a fun-filled 4 days at the Red Cross Leadership Training Center along with four other girls from Ouachita Parish. The center was held at Camp Mitchell on Mount Petit Jean, Arkansas. There were over 60 teenagers attending from 9 cities from 5 states.

Rebs and Tigers Battle to 13-13 Tie, in Annual Rebel-Tiger Jamboree

Before a near capacity crowd, the West Monroe Rebels put on a tremendous offensive attack. Soon after the game started, the Tigers jumped to take a 6-0 lead over W.M. But the Fightin' Rebs came right back to march 61 yards in 6 plays. Riley dropped back and fired a 35 yard pass to Mike Taylor for the TD. West Monroe's second touchdown was set up when Taylor recovered a Neville fumble on a punt. The Rebs scored on the first play from Neville's 22 when Riley tossed to Shields. Riley's kick was good making the score 13-13. The Rebs made a great defensive standoff during the second half. West Monroe led in first downs 6-2, and total yardage 143 to 119. Final Score: WM 13, Neville 13.

Riley Completes 12 Passes for 124 Yards Against Capt. Shreve Gators

Shreveport's newest school, Captain Shreve, slipped by the Rebs in West Monroe's opening game of the season, winning 7-6. The Rebel's only score came in the second period with a 13-yard touchdown pass from Mike Riley to John Allen. The Rebels, led by Riley, gained 221 yards offensively. Outstanding on defense were Fred Fulton, who blocked a punt, setting up the Rebel score, and Larry Albritton who recovered a Gator fumble. Final Score: WM 6, Captain Shreve 7.

Rebels Account for 178 Yards Against Defending State Champion Vikings

The Fighting Rebels couldn't sustain a drive long enough to make a score against Airline. The Rebels rushed for 50 yards and Riley completed 12 of 26 passes for 128 yards. Fullback Johnny Kottenbrook led West Monroe in rushers picking up 49 yards on 13 carries. Taylor had 20 yards on two receptions. Halfback Ronnie Miletello was the leading pass receiver hauling in 5 passes for 51 yards. Final Score: WM 0, Airline 21.

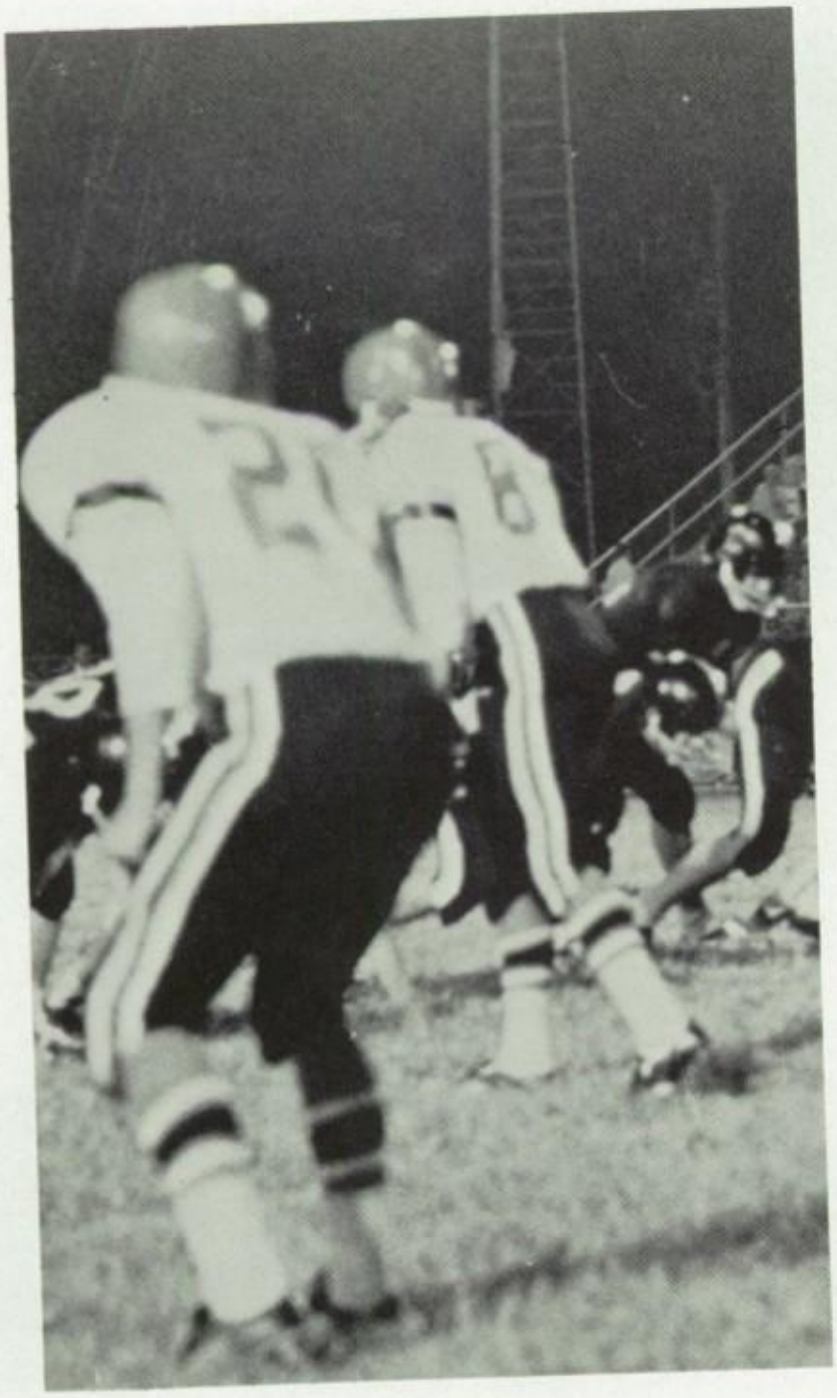
Jackson, Albritton, Sepulvado, and Allen Show Great Effort Against the Crimson Tide of Minden

The Rebs gave an exciting effort but just couldn't get enough spark to make a score. Both teams bogged down at the beginning of the game and had an exchange of punts. Again after receiving the ball, the Rebs were forced to punt on fourth down. They gambled and instead of kicking, Riley hit end Easterling with a pass that carried for 30 yards. But still the Rebs could not score. The Rebels did gain 184 yards offensively. Randy Jackson, Larry Albritton, Jerry Sepulvado, and John Allen played their roles in stopping Minden's offense. Final Score: WM 0, Minden 7.



Rebs Have Another Disappointing Setback From Neville

West Monroe's greatest rival gave the Rebs a hard game at Rebel Stadium. The Tigers' defense was like a stone wall for the Rebs offense. They were only able to make one lone score. It was started with a 62-yard drive in the fourth quarter. Then Riley dropped back and hit Mickey Easterling 11 yards out. The Rebs' defense performed well, and great efforts were shown by Stan Hayden, Johnny Kottenbrook, David Shields, Fred Fulton, and Larry Albritton. Final Score: WM 7, Neville 30.

Rebs Shine in Overwhelming Victory Over District Rival Ruston

Starting off strong and staying strong West Monroe took their first win of the season against the Ruston Bearcats. Mike Taylor broke away on an 85-yard kick-off return on a reverse play for the first Rebel TD. Two Ruston fumbles set up 5 and 2-yard TD runs by Tommy Ketchel and Mike Riley while Riley also maneuvered another 8 yard run for the final TD. David Shields was the Rebels' leading ground gainer with 88 yards. Ken Fletcher caught 5 passes for 48 yards, while Myron McCormick snagged 2 for 61 yards. Johnny Kottenbrook was outstanding on defense. West Monroe had a total offense figure of 311 yards and 18 first downs. Final score: Ruston 21, WM 26.

Woodlawn's Ferguson Overwhelms Rebs With His Five T.D. Passes

West Monroe found Joe Ferguson's five TD passes for Woodlawn too much to overcome. Most of West Monroe's offensive yards came off the passes of Mike Riley who threw for 169 yards. Mickey Easterling was outstanding on the Rebels defensive slate. West Monroe found the Knights to be a bit more than they had bargained for. Final Score: WM 0, Woodlawn 52.

Last Second Field Goal Deprives the Rebs of a Victory Over Greenwood, Miss.

A 28-yard disputed field goal in the last seven seconds caused a Rebel defeat. David Shields scored against Greenwood on a short plunge in the first quarter. Mike Riley split the uprights for the extra point. Greenwood's Jerry Grantham scored on a pass from quarterback Bill Malouf with Brawell kicking the extra point. The field goal came with Greenwood on the Rebel nine yard line with time running out. One referee called the field goal wide, but another called it good, and the winning marker counted on the scoreboard. The Rebels led the Big 8 Bulldogs in yardage and first downs. Final Score: WM 7, Greenwood 10.

Rebs Barely Fall Short in a Winning Effort Against Ouachita

Traditional rivals battled to a scoreless first quarter and an even seven up at halftime leaving fans in suspense. Mike Riley scored the Rebs' lone touchdown as he faded back to pass but found no one open so burst up the middle with an 11 yard run. Riley also added the extra point. Rodney Ferguson scored both of Ouachita's TD's on runs of 45 and 11 yards. Mike Colvin blocked one of the Lion's tries for an extra point. Halfback David Shields played an outstanding game, carrying the ball 24 times for 127 yards. Fullback Tommy Ketchell added 32 yards and Riley 34. On a final attempt Rebel David Shields crashed at right tackle from the one-half foot line on fourth and goal only to have officials call the run no gain and give the ball to the Lions. Final Score: WM 7, Ouachita 13.

Reb Defense Looks Good, But Bossier's Bearkats End Up on Top

The Rebels scored two touchdowns on beautiful drives, but Bossier's well-polished ground attack proved too much for the Fightin' Rebs. The Rebs scored their first six-pointer on a pass from Riley to Fletcher from 12 yards out. This capped a drive beginning on the Rebs own 33 yard line and was highlighted by Riley's 6 completions in 7 attempts. The second TD was on a 32 yard run by Riley, but the point after was blocked. Easterling, Pratt, and Sepulvado were outstanding on defense as were Riley and Ketchel on offense. Final Score: Bossier 28, WM 13.

Rebs Finish on a Winning Note Despite Inclement Weather

In a cold, wet grid battle West Monroe won a District 7-AAA victory over Bastrop ending both teams' seasons and giving West Monroe third place in the league with a 2-2 mark. The Rebel defense stiffened behind John Rutledge, Fred Fulton, and Larry Albritton to deny the Rams a score as they twice received first downs on the West Monroe 9 yard line. The Rebs got their first and only TD when Mike Taylor returned the game kickoff 65 yards to the Bastrop 18. Although the Rams held West Monroe inside the 5 yard line for 3 plays, halfback David Shields was able to burst through the Ram defensive line giving West Monroe the winning TD. Final Score: Bastrop 0, WM 7.

Junior Varsity Prepares for Varsity Competition — "Next Year" — as Freshmen Begin High School Football

In preparation for seasons to come, the freshman and junior varsity football teams practiced hard and won many victories. These teams are essential to the continuing football program here, for the experience these boys gain will serve them well in future years. The entire coaching staff worked with the J.V. team while Coach Wayne Foster assisted by Coach Harper McKay concentrated on the freshmen.

DARE TO BE MODERN

DARE TO BE MODERN
Change is the spice of life, and you can't keep up if you can't adapt to the times and conditions. Adaptability is our goal in keeping natural gas appliances and service as modern and automatic as is possible to do. Natural gas must keep modern because so many people depend on it as being **the** way to keep their lives up-to-the minute in convenience and year 'round comfort.

SERVICE . . .

To serve' is perhaps man's highest calling—and to serve well is his greatest achievement.

Today, more than ever, education is a demanding prerequisite to service in almost any field. As graduates, you have certainly earned applause and a place of honor.

Congratulations: And best wishes as you continue your progress toward making even more valuable contributions to yourselves and your country.

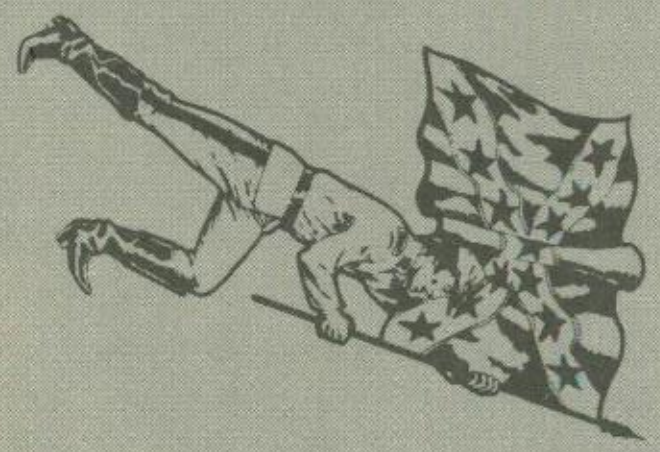
Tammie,

Today isn't such a
good day for me so I can
only write I can
write that's cheerful, but I'll
try. Time has been through so much
together in these past 3 years. We
sure have had some good times & Cathy Dee
done things that would, and have all means
n't we? Thanks to you & Cathy Dee
happened otherwise and the times in the "Dodge"
don't forget all the times we write more later.
Your "Country Club". Let me
and I don't go far away so that we
don't forget touch. Everybody is beginning
(in Monroe) forever, I'll
married, I don't keep in
can't keep their separate ways and it seems
to go that we're growing farther apart. Let's don't
that's okay? Will forever,
do that. Okay? Friend
be


Your friend Meredith
